As required under AHERA, **Havasupai Elementary School** maintains an **Asbestos Management Plan (AMP)**. The plan is kept on file in the **Havasupai Elementary School Front Office** and is available for review during regular school hours, Monday through Friday.

PERIODIC SURVEILLANCE

Periodic surveillance of known asbestos-containing materials at **Havasupai Elementary School** is performed every six months by a designated person to assess the condition of the ACM. The results of these six-month assessments are maintained as part of the Asbestos Management Plan and are also available for review.
