## Wings of Welcome!

### Introducing Ms. Tanja L. Brown

Ms. Brown is a dedicated Licensed Clinical Social Worker with 24 years of experience in urban educational settings. Throughout her career, Tanja has been an unwavering advocate for students, tirelessly working to address their social, emotional, and academic needs. Her extensive background includes collaborating with teachers, parents, and community resources to create supportive environments that foster learning and growth. Tanja's passion for helping students navigate challenges has made a significant impact in the lives of countless young people, ensuring they have the tools and support necessary to succeed both in and out of the classroom. As she travels to various regions of the world in urban schools, Tanja brings her wealth of knowledge and a compassionate approach, inspiring hope and resilience in the communities she serves.
