Wings of Welcome Back!

Tammy Grounds – School Board Vice President

Tammy Grounds brings heart, dedication, and a deep sense of purpose to her role as Vice President of the School Board for the second school year! A passionate advocate for education, Tammy stepped into this position driven by her concern for students' academic success and her desire to be more involved in the decisions that shape their learning experiences. Her goal has always been to make a meaningful difference—not just in policy, but in the lives of the students and families she serves.

Tammy is especially committed to helping students gain a deeper understanding of Native cultures and the diverse cultures of the world. She believes that fostering cultural awareness and appreciation is essential to building a more inclusive and informed community.

Outside of her board responsibilities, Tammy enjoys the simple pleasures of life. She's a big fan of Mexican food, loves listening to all kinds of music, and is drawn to history and nature documentaries—especially those on the History Channel and National Geographic. Though she wishes she had more time to relax, she remains energized by her commitment to education and community.

Tammy's blend of compassion, curiosity, and commitment makes her a valued leader and a strong voice for students and families alike. Thank you, Ms. Grounds, for all you do for Havasupai Elementary!

Celebrating our A/B Honor Roll Students
