SATURDAY What is genius time? Genius time is a rotation schedule that provides to our students opportunities to have PE, Mindfulness, Leadership, Life Skills, Art, and STEAM daily for the last 30 minutes.	NOTES:

Dear Havasupai Community,

Hello! My name is Mr. Cody, and I'm excited to be your new school cook. I wanted to take a moment to introduce myself and share a little about my background and why I'm so thrilled to be here.

I've lived in Williams for most of my life, but I've also spent some time in Supai, and I'm captivated by the beauty and culture of this amazing place. My time here has left a lasting impression on me, and it's one of the reasons I'm so excited to be part of the Havasupai community.

My journey has also taken me to Japan, where I went to school from 5th grade until graduation. This experience has shaped how I view food and community, and I can't wait to bring that perspective into the meals I prepare.

When I'm not in the kitchen, you'll likely find me out fishing or exploring the outdoors. I'm also passionate about horticulture and enjoy growing my own food whenever I can. I believe that great meals come from a combination of fresh, quality ingredients and creativity, and I look forward to incorporating that into the dishes I make for you all.

As a "foodie," I'm always looking for new ways to experiment with flavors and try new things, so you can expect a variety of exciting and delicious meals. I'm here to make sure your time at school is not only nourishing but something you can look forward to each day.

I'm truly excited to be part of this incredible community, and I can't wait to get to know all of you. Thank you for welcoming me—I'm looking forward to serving you!

Thank You,
Mr. Cody
