Wings of Welcome

Ms. Nichols' journey to becoming a teacher began many years ago, inspired by watching her father teach Chemistry to high school students. Seeing the joy and excitement he brought to his classroom, she knew then that she wanted to follow in his footsteps. Today, she teaches with that same happiness her father once shared.

Her teaching career spans nearly 20 years, with experience in Nebraska, California, and overseas in Germany, South Korea, and Japan through DoDEA. She later returned to the U.S. to teach in Texas. Her work with the Bureau of Indian Education began in southwest Tucson on the Tohono O'odham reservation, and now she brings her passion and experience to Havasupai Elementary School. While the past 18+ years have been focused on Special Education, she is excited to be teaching 6th, 7th, and 8th grade this year.

Outside the classroom, the greatest joys in her life are her four beautiful grandchildren—Finnley, Barrett, Savannah, and Easton—who lovingly call her "Gaga." They keep her young and full of life. She is also the proud parent of Troy, Taylor, and Kelsee, who have grown into wonderful human beings. Her heart is always with her loving and supportive family, whether in Texas or Colorado.

Please join us in welcoming Ms. Nichols to the Havasupai Elementary School and the community. We're so glad to have her here!
