Lorna Jones – A Heart at the Center of Havasupai Elementary
 For the past five years, Havasupai Elementary has been lucky to have Lorna Jones as a dedicated aide, and it's no exaggeration to say she's become a beloved part of our school family. Lorna chose to work as an aide because of her deep love for children, and that passion shines through in everything she does. Whether she's helping students with their lessons or offering a kind word and a smile, Lorna brings warmth, patience, and joy to our classrooms every day.

Outside of school, Lorna enjoys the simple pleasures of life. Her weekends are often spent tending to her yard, where she finds peace and satisfaction in nurturing her outdoor space. She's a fan of reggae music, the color blue, and never turns down a good taco or a refreshing glass of apple juice. But above all, Lorna's heart belongs to her family. She is the proud mother of three sons and the joyful grandmother of thirteen grandchildren—each one the light of her life.

Lorna is more than just a staff member—she's a valued presence, a source of encouragement, and a friend to many. We are so grateful for her dedication, her kindness, and the positive energy she brings to our school community. We love you, Lorna!
